Dear Chancellor Dubois:

It is a pleasure to inform you that at its meeting on July 26, 2016, the Board of Governors approved the request to establish a Master of Science in Cybersecurity at UNC Charlotte. This program will appear in the Academic Program Inventory as shown below:

There is the expectation that your campus will closely monitor enrollment and demand for graduates associated with this program. Please do not hesitate to call me if we may be of further assistance.

Sincerely,
