

## News Digest

June 5, 2017

### IN THIS ISSUE

- Windows Update - ACTION REQUIRED
- Research Study on Gender Inequality in Higher Education
- I-9 Workshop Sessions

### ITS Windows Update

ITS is pushing an update to Windows computers next week. This is happening because the University's Active Directory, the database which manages user accounts and groups, is being reorganized.

#### **ACTION REQUIRED:**

On your Division's assigned date (see below), when you leave work close all of your open applications and logout...but leave your computer ON. Your computer is going to reboot at 10 p.m. which is why it's important to close and save your work.

- Business Affairs - Tuesday, June 6
- Academic Affairs Administrative Offices - Wednesday, June 7
- Student Affairs and Chancellor's Office - Thursday, June 8
- Athletics and University Advancement - Friday, June 9

If you forget and turn your computer off, then the update and reboots will occur when you turn your computer back on. Note for off-campus users only: This change will be applied to your university computer when you connect to the campus network or login to the VPN. If you have any questions, please contact the IT Service Desk at ext. 7-5500 or [help@uncc.edu](mailto:help@uncc.edu).

### Research Study on Gender Inequality in Higher Education

A research study exploring the experiences of women who have undergone gender inequality during their pursuit of academic leadership positions is being conducted. You may be eligible to participate if you:

- are employed by a Research Doctoral institution as defined by the Carnegie Classification™;
- have never served as an academic dean or higher at a Research Doctoral institution; and
- experienced within the past 10 years what you believe to be the glass ceiling while pursuing a promotion to academic dean at a Research Doctoral institution and were unsuccessful in obtaining the position.

Confidential interviews with those selected to participate will occur during June and July 2017. There is no compensation for participating. Participation is voluntary. If you have questions or are interested in being a part of this study, please send an e-mail that includes your phone number and best time to reach you to Merilee Madera, MBA at [madera.m@husky.neu.edu](mailto:madera.m@husky.neu.edu). This research is being conducted in partial fulfillment of the requirements for the Doctor of Education degree from the College of Professional Studies at Northeastern University.

## I-9 Workshop Sessions

The Office of International Programs has scheduled numerous [I-9 Workshop Sessions](#) to accommodate new international hires for the Fall 2017 semester. New hires who visit the International Student and Scholar Office (ISSO) for assistance with their I-9 will be re-directed to one of these sessions. Any student or faculty member who is on a foreign passport and does not already have a Green Card or valid EAD card with photo must begin the I-9 process with ISSO. If a foreign national has a Green Card (Permanent Resident Card) or an EAD Card (Employment Authorization Card) which has his/her photo, I-9 processing can be handled directly by Human Resources. Visit the [U.S. Citizenship and Immigration Services site](#) for additional information on I-9 documents.

## Upcoming Events

- June 5-7** [INSS Conference](#)
- July 13** [International Coffee Hour](#)
- Aug 17** [University Convocation](#)
- Aug 21** [New Student Convocation](#)
- Sep 29-30** [North Carolina Honors Association \(NCHA\) Conference](#)
- Oct 14** [42nd Annual International Festival](#)
