Faculty Information for New Student Convocation: August 22

We are excited to bring back the annual tradition of New Student Convocation in person this fall on Sunday, August 22, at 6 p.m. New Student Convocation celebrates and welcomes our new students and provides clear academic expectations and an understanding about what it means to be a 49er. The event presents the traditions of the institution, the Noble Niner Honor Code, a faculty keynote address, and a performance by the Pride of Niner Nation Marching Band.

All faculty are asked to [RSVP at this form](#) and participate in regalia in the one-hour New Student Convocation ceremony. If you need to rent regalia, please place your order with [Oak Hall](#). The last day to rent online is July 16. Visit the [New Student Convocation faculty information webpage](#) for more information.

Gain Professional Skills with CGL's Certificate in Workplace Competencies

[The Center for Graduate Life](#) invites UNC Charlotte staff to apply to participate in the [Certificate for Workplace Competencies](#). It's a great way to advance your career by building and improving essential workplace skills such as written and oral communication, data presentation, and working on diverse teams. You can use your tuition benefit to cover 3 classes per year, many of which are hybrid or online. Application deadline is August 1. Visit the [Certificate webpage](#) for more details, and contact [Dr. Jill Huerta](#) if you have questions.

Virtual On-Campus Job Fair Registration is Live

UNC Charlotte's Virtual On-Campus Job Fair will be held on Tuesday, August 3 from 11 a.m. to 2 p.m. This is an excellent opportunity to recruit students for on-campus positions and partake in a virtual fair to interview interested candidates before they return to campus. Departments can recruit for FWS, STW, UPIP and Graduate Assistant positions.

Campus Employer Registration Details

To register, log in to your [Hire-A-Niner account](#), go to Events, select Career Fairs, locate the On-campus Job Fair 2021, and select Register for Event. You only need to register your department once. If you have multiple position types in your office, with multiple supervisors, contact [Michelle Wann](#) to discuss options.

NOTE: All individuals that will be participating in the fair MUST have a Hire-A-Niner account.

BrowZine Cancellation

The library is canceling BrowZine, the platform for journal access management. If you have articles saved in the BrowZine application, be sure to download them before August 1 into a citation management system or onto your preferred device. There will still be direct linking in the library search system to library articles and journals via the "Available Online" links. An alternative to keeping up with new issues of journals that you follow can be accomplished through publication alerts from the databases. [Read more.](#)
